EMPLOYMENT HISTORY

DGX GUNADARMA — 2022 - 2023

I am responsible for guiding and supporting students in undergoing Machine Learning practicum. I design practicum materials, provide direction, and answer student questions, creating a productive learning environment. I also collaborate with lecturers and teaching staff to improve the quality of teaching.

PT CARSURIN — 2021- 2022

Analyze business processes and workflows to meet company needs. I have experience in developing application systems and databases using various technologies, such as PHP, JavaScript, MySQL, and HTML.

EDUCATIONAL BACKGROUND

S3 - INFORMATION TECHNOLOGY — 2023 - Now
Universitas Gunadarma

S2 - ELECTRICAL ENGINEERING — 2022 - 2023
Universitas Gunadarma

S1 - INFORMATICS ENGINEERING — 2017 - 2021
Universitas Gunadarma

ABOUT ME

I am a graduate of S1 Informatics Engineering with a GPA of 3.50 and S2 Electrical Engineering with a GPA of 3.81 from Gunadarma University. Currently, I am studying S3 Informatics Engineering. This strong educational background gave me a deep technical understanding.

I have interests and talents in design, programming, AI, Machine Learning, Deep Learning, Image Processing, Video Processing, Classification, Natural Language Processing (NLP).
